Fire safety experience	Length of service

Please let us know of any learning support you may require

## Learner Agreement

- I undertake to ensure that all work that I submit shall be my own, individual work.
- I understand that evidence of plagiarism is treated extremely seriously and, if proven, will result in the termination of my enrolment and my sponsoring organisation being informed.
- I understand that the programme must be completed within a maximum of **2 years (Technical Cycle, or 1 year (Management Cycle))**
- I understand (as a consumer), I have the right to cancel within 14 days of receiving the booking confirmation (the “cancellation period”). Where I have given consent for the diploma to commence with the cancellation period, I lose my right to cancel.
